

STATISTICS
OF
THE STATE OF QUEENSLAND
FOR THE YEAR
1962-63

PART E—LOCAL GOVERNMENT

Issued under Instructions from the Right Honourable the Treasurer by

K. M. Archer,
Commonwealth Statistician

Compiled by
S. E. Solomon,
Deputy Commonwealth Statistician and Government Statistician

By Authority:
D. E. WILKINSON, Government Printer, Tasmania.

FOREWORD

The *Statistics of Queensland* has hitherto been issued in eight separate parts, each dealing with a section of statistics. The eight parts were prepared in such a form that they could subsequently be bound together to form a complete annual volume.

Starting with this 1962-63 issue, the parts will be issued as independent publications, and no annual volume will be published. Libraries and others may wish to bind these according to their own pattern, either as annual volumes or as volumes containing a series of particular parts.

List of Local Authorities, Showing Headquarters and Statistical Division as at 30th June, 1963

In Tables 1 to 16 the Local Authorities have been tabulated according to the Statistical Division in which they are situated. The following list shows the Headquarters of each Local Authority and the Statistical Division in which each is situated.

Commencing with the year 1961-62, the new Metropolitan Statistical Division was created to incorporate the Cities of Brisbane and Redcliffe and the Petrie portion of the Pine Rivers Shire, all of which were previously included in the Moreton Division. The balance of the Pine Rivers Shire, the Rural Area, remains in the Moreton Division. However, except for a few items appearing in Table 1, and road mileages in Table 8, the whole of the Pine Rivers Shire has, for Local Government Statistics (throughout this Part), been included in the new Metropolitan Division.
